FOREWORD

To Miller Bedford of New London, Ohio goes the credit for organizing the Ohio Gun Collectors Association, Inc. He invited a group of gun collectors to his home on August 8, 1937 with the idea of forming a club for the exchange of information. At this meeting Miller Bedford was elected President and Terry Brown was chosen to be the Secretary Treasurer. This small group has now grown to a body with over 1500 members, from nearly every State in the Union, and from three foreign countries.

In 1949, the group was incorporated as a non-profit organization, with membership open to any reputable American citizen, over 18 year of age, without a criminal record. The entrance fee is now $4.00, which includes the initiation fee and dues for the balance of that year. The annual dues are $2.00 per year thereafter.

Meetings are held in different cities of Ohio, not to exceed six times a year.

At each meeting, an officers and Board of Directors meeting is usually held an Saturday. At this meeting, all the policy making decisions, not requiring the vote of membership, are made. The general business meeting on Sunday deals with matters of importance requiring the vote of all members.

The meetings are semi-public and are open to members and their guests.

The Ohio Gun Collectors Association, being a collectors organization, encourages its members to bring and display unusual and rare items from their collections.

Passed July 25th, 1948:

The following rules were drawn up by a Special Committee appointed for this purpose. They were adopted as printed below.

Subject: Report of Committee

The Committee on Exhibits and Safety, in consideration of the need for regulation of exhibits for the purpose of restoring the meetings of the Association to the original intent, and for the protection of members and guests, has prepared the following recommendations. The matter of Safety is considered of prime importance, as an accident that would result in serious injury or death to any individual would likewise immediately terminate the Association.

SECTION I.

Safety Rules

No member or other persons shall during the continuance of a meeting of this Association, and upon the premises where such meeting is held, display or show a loaded or primed firearm or air gun, nor shall any member or other persons place any charge, whether blank or ball or empty case, in the barrel, chamber, cylinder, or magazine of any arm upon said premises during such time. Nor shall any member or other person place any percussion cap, tube, pill or any other priming device in or upon a firearm on such premises during such time.

Neither shall any member or other person bring on the premises during such time any explosive other than small arms ammunition, except, gun powder for use in small

arms which may be admitted only in sealed metal containers, and primers for small arms, or small arms ammunition in standard packages.

Neither shall any member or other person bring on the premises during such time any cartridge, bullet, shell, grenade, or rocket, or any other explosive device not produced for use in small arms, nor any explosive that is sensitive to detonation normally in any way other than by discharge in small arms, nor any gas shell or gas container of any kind.

Neither shall any member or other person bring on the premises during such time any edged weapon in the form of bayont or knife, having spring-operated joints or of the "snap-open" variety, unless the release mechanism has been made safe by sealing by the use of tape or in some other manner as the Safety Committee may approve.

Neither shall any member or other person bring on the premises during such time any edged weapon in "Razor Sharp" condition or of a sharpness that might through normal handling result in cutting, unless such weapon is sealed in a scabbard or sheath so as to be safe.

SECTION II.

Penalty for Violation of Safety

The Committe appointed by the duly authorized officers of this Association or any member of said Committee, or any officer of the Association, may order any violating member or other person to immediately remove his exhibit from the premises. Such violation shall be reported to the Committee and the officers of the Association who may declare the individual, if a member, in suspension of his membership, or if a non-member bar him from exhibiting at any future meeting of the Association.

Any member or other person who has been barred or suspended may appeal to the President, who may see fit to consider the matter in conjunction with the Directors, and either remove the suspension or disbarrment or sustain such penalties. The decision of the President and Board of Directors shall be final in all such matters.

SECTION III.

Permitted Exhibits

1. Small arms: weapons intended to be fired from the hand or shoulder by a single individual and complying with all Federal, State and Local Laws.

2. Ammunition for small arms, including components and materials for same.

3. Accessories and attachments for small arms, includ-

ing sighting, carrying and cleaning equipment, and supplies, and ammunition and accessory belts, boxes and kits.

4. Personal equipment used in shooting, including spotting scopes, binoculars, shooting glasses and similar related items.

5. Targets, scoring devices, score books, and bullet traps.

6. Parts for small arms, including material for the manufacture of parts.

7. Tools, including gages, bullet molds, reloading tools, and any tools or small machines peculiar to the use, maintenance, repair, examination, or production of arms.

8. Edged weapons.

9. Bows, arrows, cross-bows, arrowheads and similar items.

10. Books, literature, and photographs or pictures related only to small arms or ammunition or their use or manufacture.

11. Any other article, articles, or devices that can be shown to be properly related to the activities of The Ohio Gun Collectors Association.

SECTION IV.

Prohibited Articles

1. Any item not admitted under the above section is prohibited for exhibit at meetings of the Association.

2. Weapons or munitions too large to be classed as small arms, or in any way illegal.

3. Motors, tools, machinery, and similar equipment intended for general use not specifically peculiar to manufacture or maintenance of small arms.

4. Cameras and photographic equipment.

5. Timepieces, jewelry, pens, pencils, pocket knives, razors and all items of a similar nature.

6. Jewels, gems, and minerals.

7. Stamps.

8. Coins.

9. Bottles, glassware, china and similar items.

10. Fishing, hunting, athletic and sports equipment generally.

11. Books, pictures, and literature not related to small arms, edged weapons or Indian relics, or the activities of The Ohio Gun Collectors Association.

12. Horse and riding equipment.

13. Clothing of all types, including walking sticks and canes.

14. Any item barred by Safety Rules.

15. Any other article or articles which are patently not related directly to the activities of The Ohio Gun Collectors Association.

SECTION V.

Penalty For Violation

Any member of the Association or other person found exhibiting prohibited items at a meeting or on the premises of a meeting may be requested by any member of the Committee appointed to enforce such rules, or any officer or Director of the Association, to remove the offending items immediately. Failure to comply, or repeated violations, will result in suspension of membership or disbarment from meetings. Action by the President and Board of Directors shall be final.

The Committee on Safety and Exhibits recommends that if the above suggestions are adopted they be prepared in printed form for the information of all members and be displayed publicly on the premises at all meetings.

The privilege of appeal is recommended under Section II, Penalty for Violation of Safety, as it is realized that the Exhibitor may be a victim of the actions of others. Violation of rules of Exhibit are the planned act of the Exhibitor and no appeal is justified.

We recommend that the President appoint a Committee of an appropriate number, not of the Host Club, to enforce Safety and Exhibit rules for each meeting; this Committee to be supplied with a Book of Rules which also includes space for recording amendments, and a diary of meeting, with record of violations and warnings.

We also recommend that all Exhibitors be required to identify their formal displays and suggest that a Printed Form Card be supplied for this purpose.

Signed,

Committee on Safety and Exhibits

REGENT 4-5116

"I am not a Specialist. Not a Dealer. Not an expert. Not an Authority on Guns. I love old American made guns. I collect them. I swap them and I buy them. I seldom sell one. I prefer hand guns in good condition. I have about 45 long guns and carbines I will trade. Or, if you have some surplus or duplicates you want to sell, please write me about them. I am a member of many and varied clubs, fraternities and associations. I have been a member of O.G.C.A. for just three years. It tops my list. Thank you for reading this."

Here is the way to

Protect Your Guns!

Rust is not the only enemy of the guns you prize so much. Laws can take them from you . . . or make their possession and transfer so expensive and so surrounded by red tape that the pleasures and profits of collecting arms fade away.

National Rifle Association membership gives the protection every collector, every gun owner needs. The NRA legislative reporting service is the one way you can get prompt notice of proposed firearms legislation affecting your rights with guns. It gives you the facts you need to act intelligently and effectively, . . . to give your support to good legislation, to vigorously oppose any that discriminates against you as a gun owner and collector. Your opinion, combined with your fellow NRA members (a quarter million strong), is a potent force for good gun laws.

The NRA is devoted to serving gun owners. As a collector you will be especially interested in the authoritative articles which appear in THE AMERICAN RIFLEMAN, official NRA journal. During 1952 fifteen feature articles of special interest to arms collectors were included among its more than 1,000 pages of gun lore.

Ask your fellow collectors about the NRA and the RIFLEMAN! Many of them are already members. Your own Association holds an NRA charter as an affiliated organization. For the protection of your own guns . . . and greater enjoyment from them, join the NRA without delay.

Because your Ohio Gun Collectors' Association is affiliated with the NRA you, and any other member, are eligible for the special rate of $3.00 per year for NRA membership (regular rate $4.00). Send your name and address, with your fee, and a note stating that you are a member of the OGCA. Mail it now for greater enjoyment from your guns.

"Guns Made America Free"

The freedom Americans enjoy didn't just happen . . . Freedom in America was won at the expense of considerable bloodshed. From first to last, freedom has been the working development of an idea—BACKED BY GUNS. The flint-lock rifles of General George Washington's army won it for us. It has been preserved by weapons in the hands of Americans who fought off every challenge to American liberty . . . from the War of 1812, through both World Wars, to the present conflict with the Asiatic Reds. . . . Guns made America free.
